

Public Health Profile

Bradford South Network Community Partnership

Public Health Intelligence
Date Produced: June 2022

Population & Demographics

Total Population
63,066

Age Distribution

■ 0-15 years ■ 16-64 years ■ 65+ years

0 to 15 years old = 14,485

16 to 64 years old = 40,123

65+ years old = 8,458

Summary

63,066 people are registered with GP practices in Bradford South Network Community Partnership which forms part of the South Locality. 82% of the population resides in Royds, Great Horton, Wibsey, City and Queensbury wards which are part of the Bradford South and Bradford West area committees. The population of this Community Partnership is older than some parts of Bradford District and Craven CCG but younger than others. Life expectancy for males is similar to the CCG average but below average for females. Infant mortality and premature mortality from CVD is lower than community partnership average but there is a high rate of child excess weight in reception, premature mortality from cancer and respiratory diseases compared to other areas of Bradford District and Craven. Overall, the health and wellbeing of Bradford South Network is similar to the community partnership average.
